

PROOF OF RESIDENCE IN ALBERTA USING A COMMUNITY INDIVIDUAL

If your guarantor's office is currently closed, you may request someone you see on a regular basis in the community, for example a neighbour or the parent of a child's friend, to confirm your presence in Alberta. Multiple letters are not required unless one guarantor alone cannot substantiate your presence in Alberta for the entire timeframe required for eligibility.

Your community contact:

1. **Must** be 18 years of age or older
2. **Must** be present in Alberta for the entire period between December 1, 2020 to May 18, 2021
3. **Must** be available for contact by email or telephone by the AIMG Program weekdays during the daytime throughout the file review period (June 7 to October 1, 2021)
4. **Must** have personally known you for at least 6 months
5. **CANNOT** be just an acquaintance. Your guarantor must be someone who knows you well enough to be able to swear to your residence status in Alberta and has no vested interest in your eligibility. Detailed explanations are expected.
6. **Must** not be family (through marriage or otherwise)
7. **Must** be able to confirm the location and duration of the applicant's **place of residence** within neighborhood. Detailed explanations are expected.
8. **CANNOT** be an individual who is applying to the AIMG Program 2022 Cycle or
9. **CANNOT** be a family member or a person residing at the same address as you (the applicant)
10. **Must** understand that deceptive or fabricated documentation provided on your behalf to the AIMG PROGRAM is sufficient cause for the AIMG PROGRAM to disqualify your application from this and potentially future AIMG Program cycles.

Guarantor must perform the following tasks free of charge:

1. Independently prepare the guarantor letter (letter content checklist on next page).
2. Be available for contact by the AIMG Program weekdays during the daytime throughout the file review period (June 7 to October 1, 2021) to confirm your presence in Alberta and the details within the letter they (they guarantor) prepared and submitted on your behalf.

All proofs provided are subject to AIMG Program source verification.
