LETTER OF ATTESTATION

I, Maria Acosta, write this letter in support of my Proof of Alberta Residence from December 1, 2019, to May 15, 2020. I was employed as a cashier at the ABC Company since February 2019. I went on maternity leave from November 16, 2019, so have not worked since my child was born. I can confirm that I have been in Alberta based on the number of personal medical appointments and those scheduled for and my infant son. I can provide emails and confirmation of telemedicine consults from my family physician as well. I also have a record of blood work drawn from Calgary Lab Services in January and have receipts from my local pharmacy for refills of my usual blood pressure medication. In addition, I have participated in an online mother's group on Facebook, which extended to virtual meetings via Zoom that commenced in March. I participated in Friday morning meetings from March 28, 2020, to May 15, 2020, and can prove my attendance.

Sincerely,

Maria Acosta
